Gli iscritti avranno accesso alla piattaforma e-learning dove avranno a disposizione 32 ore per esercitazioni online.

The participation in the course does not guarantee by itself the successful completion of the exam for the appropriate certification. A lot depends on the English level at the outset of the course, and dedication given during the course itself.

Therefore, at the termination of the course, each participant will be able to evaluate his or her own level of preparation.

The dates that have been established for the exam at the accredited centers are as follows:
